

How to pay with

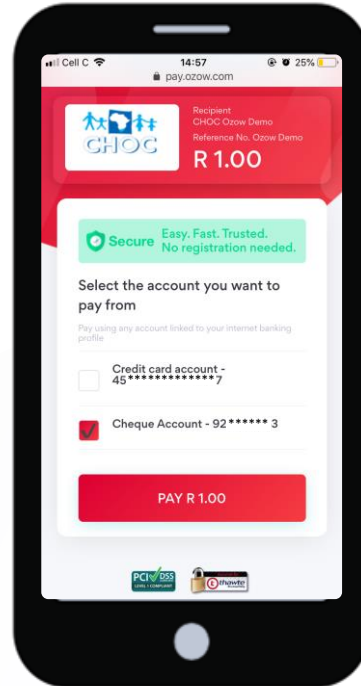

Step 1: Login

Enter the login credentials you currently use for your Absa internet banking and click the red “Login” button.

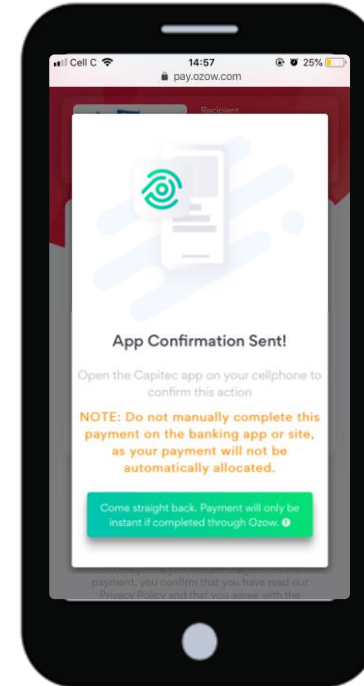

Step 2: SurePhrase

Enter the missing characters of your SurePhrase password and click the red “Login” button.

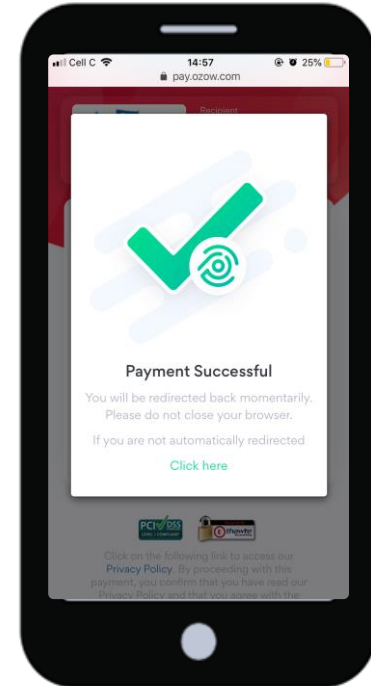

Step 3: Select Account

Select the account that you would like to pay from and click the red “Pay” button. NB: This step will be skipped automatically if there is only one account linked with this banking profile.

Step 4: Confirm Payment

If you have the Absa App, you will then be asked to confirm payment via the app, then returning to the Ozow payment screen. NB: You may also be asked to approve the merchant as a beneficiary in the app prior payment.

Step 5: Payment Successful
